QUEENSTOWN

Day 2

Earth, Water and Sky: today these elements unfold and combine to create your classical Queenstown experience!

Rising to altitudes of 2000m, the stunning scenery is displayed to perfection from dawn as you drift along on the gentle breeze. Celebrate the experience with champagne and French pastries on landing.

Back at ground level, the day unfolds in a relaxing manner, appreciating the unique terroir and world famous wines of Central Otago, and enjoying a wonderful tour of the best local vineyards. Sampling a range of vintages, teamed with tantalising tasting platters, this is a superb way to experience the sophistication and quality of the local produce (if wine tasting is not of your interest – we will discuss with you an alternative option).

After arriving back in Queenstown, take a leisurely cruise on the crystal waters of Lake Wakatipu aboard the historic vintage steamboat, the TSS Earnslaw.
